

## ARCTIC EXPANDS AND MOVES BRAUNSCHWEIG HEADQUARTERS

ARCTIC has relocated its German headquarters to Braunschweig Querum. The newly renovated offices and storage area opened on 22 May 2018, just a few kilometres from the previous location.

"ARCTIC's constant growth and the rising number of employees have made it necessary to move to a bigger space and to expand the storage facilities", explains Sales Director Peter Jankowski. "The relocation will create an ideal working environment and pave the way for future growth".

ARCTIC currently has almost 30 employees in Braunschweig, four of whom only recently joined the company. The Marketing team was recently strengthened by Robert Philipp, Marketing Executive, and William Oppe, Junior Marketing Manager for Events and Sponsoring.

As part of the company reorganisation and the expansion of the management team, the new Analytic and Administration department was born, recently enlisting the support of Melanie Bargfeldt and Guillermo Torres as Data Analysts and Marketing and Sales assistants.

New Company Address:  
ARCTIC GmbH  
Bevenroder Strasse 149  
38108 Braunschweig

### About ARCTIC

ARCTIC is a leading manufacturer of silent PC coolers and components and has initiated and sustainably influenced the trend towards quiet cooling systems. Besides a wide range of CPU and GPU coolers, ARCTIC offers high quality monitor mounts as well as an audio product line. The company, run by founder Magnus Huber, has locations in Germany, Hong Kong and the USA and convinces pc enthusiasts in over 45 countries with innovative and user-friendly products, high quality and fair prices. For more than 15 years ARCTIC stands for comfortable computing, excellent service and personal support.
